

Creative Composting

Did you know there's all sorts of ways to make compost?

For all the family, this weird and wonderful three-session course explores the different types of composting you can do in your own garden.

Hot composting * Wormeries * Bokashi bins *

*Plus take home your own compost
and a working wormery or bokashi bin!*

1-3pm, Sunday 18th March, 25th March and 1st April

East Lodge Sustainability Centre, Jephson Gardens
(the building at the Willes Road entrance)

£15 per family (includes one bin)

Booking essential.

All equipment provided but wear suitable clothes. To book or for more information, e-mail ranger@action21.co.uk or phone 01926 258782. Children must be accompanied by an adult.
